- (1) This Notice is issued by Oslo Børs on 1 March 2022 pursuant to sections 3.7.2 and 3.7.3 of Rule Book II for Oslo Børs/Euronext Expand.
- (2) This Notice provides detailed provisions and clarifications with respect to procedures for admission to trading on Oslo Børs or Euronext Expand of preferential rights to Shares pursuant to Section 10-4 of the Public Limited Liability Companies Act and other rights to subscribe for Shares, respectively, and apply in addition to the requirements set out in Rule Book I and Rule Book II.
- (3) *Italic* text is meant as guidance to the rules set out below.

1. GENERAL

2. ADMISSION TO TRADING OF PREFERENTIAL RIGHTS TO SUBSCRIBE FOR SHARES PURSUANT TO SECTION 10-4 OF THE PUBLIC LIMITED LIABILITY COMPANIES ACT

Cf. section 3.7.2, cf. section 3.7.1 of Rule Book II.

- (1) A standard form is provided in section 5 below for the written report that must be submitted for admission to trading of preferential rights to subscribe for Shares pursuant to Section 10-4 of the Public Limited Liability Companies Act, cf. section 3.7.2 (2) cf. section 3.7.1 (1) item 1 of Rule Book II.
- (2) The written report may be submitted by the Issuer, or by a party that is authorized to submit the written report on behalf of the Issuer. The draft prospectus must be attached.

Reference is made to section 3.7.2 (2) second sentence regarding the deadline for submitting the written report to Oslo Børs. The Issuer will normally receive a response to its written report from Oslo Børs within five Trading Days following Oslo Børs' receipt of the report.

- (3) The further process through up to admission to trading shall be agreed between the Issuer (and/or its advisor) and the case officer at Oslo Børs.

Reference is also made to sections 2.7 and 3.6 (2) of Rule Book II.

3. ADMISSION TO TRADING OF OTHER RIGHTS TO SUBSCRIBE FOR SHARES

- (1) A standard form is provided in section 5 below for the written report that must be submitted for admission to trading of other rights to subscribe for Shares, cf. section 3.7.3 (2) cf. section 3.7.1 (1) item 2 of Rule Book II, which are as follows:
 1. For Norwegian Issuers, any rights to subscribe for Shares other than preferential rights to subscribe for Shares pursuant to Section 10-4 of the Public Limited Liability Companies Act.
 2. For foreign Issuers, any rights to subscribe for Shares.
- (2) The application as referred to in section 3.7.3 (2) of Rule Book II shall include a short description of the rights for which admission to trading is sought. In evaluation the application, Oslo Børs will attach importance to whether the subscription rights are suitable for admission to trading.

The description of the rights in question must include the following information:

1. The type of rights in question.
 2. Information on whether the rights for which admission to trading is sought can be assumed to be transferable securities pursuant to Section 2-4 (1), cf. Section 2-2 of the Securities Trading Act, cf. Section 12-1 of the Securities Trading Regulations.

 4. An explanation of how sufficient information about the rights will be made available so that the investor market is able to price the rights correctly. The existence of a satisfactory process of price determination is deemed to be a precondition for regular trading, and it is of crucial importance that the investor market is able to determine a correct price for the rights.

4. COMMON RULES

4.1 REGISTRATION OF RIGHTS TO SHARES IN A CENTRAL SECURITIES DEPOSITORY

Subscription rights to Shares shall be registered with a duly licensed central securities depository whereby adequate procedures for settlement related to trading on Oslo Børs or Euronext Expand are established, as mentioned in Rule 6201 (iii) of Rule Book I.

Technically, this currently means that such Shares must be registered with the VPS (the Norwegian Central Securities Depository) since VPO (the Norwegian system for settlement of securities) is linked to VPS.

Reference is also made to section 3.7.1 (2) of Rule Book II.

4.2 TIMING OF ADMISSION TO TRADING AND PUBLIC DISCLOSURE OF INFORMATION CONCERNING THE RIGHTS

- (1) Preferential rights to subscribe for Shares as mentioned in section 3.7.2 of Rule Book II, may not be admitted to trading until the general meeting, or if applicable the board of directors when duly authorized, has passed a resolution to increase the Share capital, and the subscription rights have been registered with the central securities depository.
- (2) Subscription rights as mentioned in section 3.7.3 of Rule Book II, may not be admitted to trading until the rights, and if applicable the Shares or bonds to which the rights relate, have been registered with the Register of Business Enterprises where this is required, and with the central securities depository.
- (3) No later than 08:00 hours on the first day of admission to trading of the rights, the Issuer must publicly disclose information about the rights. The announcement must include information about the following:
 1. Any restrictions in respect of who may be allotted or is permitted to acquire the rights and similarly to exercise the rights.

 3. If the rights relate to an issue or other transaction that is underwritten, the announcement must include information about the underwriting guarantee. If the underwriting guarantee includes any right for the underwriters to refrain from subscribing for Shares, the terms and conditions for this must be explained and the consequences stated.

If the matters mentioned above are described in more detail in the prospectus, reference must be made in the announcement to the relevant section(s) in the prospectus.

The period for which subscription rights can be traded must be closing four Trading Days before the expiry of the subscription period. *To enable sufficient time flexibility to manage any potential position settlement fail at CCP level, trading of such subscription rights will stop 4 business days prior to the end of the subscription period. This is a requirement by the three interoperable CCPs who perform clearing at Oslo Børs.*

- (2) Oslo Børs must have received confirmation from the Issuer no later than **13:00 hours** on the Trading Day before the first day of admission to trading that the prospectus has been, or will be, published in accordance with section 4.6 of Rule Book II. The same deadline shall apply for the publication of documents that meet the requirements for exemption from the duty to prepare a prospectus (“equivalent document”).
- (3) The approved prospectus in its final form must be sent to the case officer at Oslo Børs immediately after it is approved.

5. STANDARD FORM FOR WRITTEN REPORT

The sections of the form below provide guidance on information that must be provided by the Issuer.

Oslo Børs wishes to emphasize that the parties involved in admitting rights to Shares to trading should in any case consult the full text of the continuing obligations and the admission to trading rules.

If any of the information required to complete the form is not available at the time the written report is submitted, this must be explained together with information on when the final information will be submitted. Oslo Børs will not be able to make a decision on the admission of rights to trading until all the information required by the form is provided in full.
